

DR AJAY RAI'S COUNSELING, MENTORING AND CONSULTANCY

SOME FEEDBACK

❖ Before this program I wasn't as balanced as of now. Now my work is getting better and better. there is strength to my thoughts. I have become more social. I get a level of confidence that there is someone whom I can share each and everything. *(AK, a senior Finance Manager)*

❖ I was confused about my strengths and shortcomings. Through this program, I have received knowledge and understanding. I now have more self confidence and have matured as a team leader. *(PJ, a senior advertising professional)*

❖ This program has benefited me. I have developed confidence in my self. I practice what I learn from this program with my friends, colleagues, and family. ... By so doing, I have developed myself. The most important thing I have gained are self confidence, ways of thinking and dreaming, etc. *(RR, a senior accounts professional)*

❖ The mentoring program affected me in all means. My working style is totally changed now I am working very smoothly in managed way with all future planning. I have developed my confidence. *(RT, TV actor and music producer)*

❖ Through this program, I have learnt to be positive and optimistic in accomplishing my goals, by developing innovative methods to make work easier and achievable...my areas of thinking have become widened to absorb new information, becoming useful in my career. *(SC, singer)*

SOME FEEDBACK

❖ Before the program began, I was not able to speak well, and had no confidence. Now I can speak effectively, and am continually trying to use my daily interactions to buildup on what I have learnt. My body language too has become more effective. *(SCP, a senior circulation manager)*

❖ The program helped me boost up my confidence level, cultivate skills for effective team work, develop public speaking ability and leadership quality etc. *(MSC – senior recovery professional)*

❖ Due to this program my entire vision has changed. *(RK, Senior Manager)*

❖ Through this program, I am more socially confident, more clear in my thought process and also learnt communication skills, which is very important part of my work *(AK, a senior Finance Manager)*

❖ Through this program I have felt major change in my thinking regarding communication skills, relationship with my seniors, loyalty towards organization, time management. *(DP, Store Incharge)*

❖ I got the treasure of experiences, thoughts and directions in this program. *(CJ, Executive Assistant to CFO)*

❖ Before this program I was an average person. I have now learnt to think beyond. My working skills and decision making ability have increased. I now fulfil my personal duties more efficiently. *(JNK, Senior Editor)*
